ADDITIONAL GUIDELINES FOR COVID19 March 18, 2020

IN AN EFFORT TO CONTINUE STAYING VIGILANT AND KEEPING ALL THOSE ON OUR CAMPUS SAFE PLEASE READ THE ADDITIONAL MEASURES:

1. We would like everyone to follow the social distancing by keeping a minimum of six feet away from other humans. This includes in your classrooms, arenas, cafeteria and anywhere else you might be. You can hug on the horses!
2. As of now we are not restricting local travel but please limit it to necessities only. You pretty much have everything you need right here, so stay on campus as much as possible.
3. Wash your hands with soap and water as often as possible. Washing with soap and water is much more effective than hand sanitizer which should still be used when you are not in a place where soap and water are close by.
4. Remember, no outside visitors!!! We are taking extra precautions for deliveries that have to be made on campus like mail, packages, and feed for the horses and food for the cafeteria.
5. Keep your private living areas clean and disinfected.
6. Continue to follow the rules already in place.
7. Keep doors propped open or windows open wherever possible. Fresh air is the best practice.
